INTRODUCTION

ALL WORLDS LEAD TO THE WATERSIDE.

The Waterside Hotel is a seven-level hospitality destination that blends the soul of a classic pub with the spirit of global adventure. From the familiar hum of the Public Bar to the vibrant pulse of South-East Asian dining, rooftop cocktails, and private celebrations - this is where Melbourne gathers, celebrates, and discovers.

Rooted in History. Designed for Now.

Since 1853, a hotel has stood on this site - first as the Mercantile, then The Waterside from 1910. Reimagined by Sand Hill Road, the venue now honours its working-class legacy while embracing bold design, lush garden terraces, and a sense of discovery across every floor.
